The Nussra Front – Statement No. 43

Blowing up the Headquarters of the Department of Military Operations in Western Ghouta in the Damascus Countryside

Praise be to Allah, the Victor of the believers and Humiliater of the disbelievers and peace and blessings of Allah be upon the warrior prophet, the merciful prophet, Muhammad and after:

"Fight the leaders of disbelief, for indeed, there are no sacred oaths to them; fight them that they might cease"

The Almighty Allah has granted the soldiers of the Nussra Front a chance to target the headquarters of the "Department of Military Operations in Western Ghouta" in the Damascus Countryside as response to the vicious and violent bombardments of various districts in Damascus and its environs. The headquarters are located in Recruitment Office (1st Qatana) within the barricaded corridor. After monitoring and observing the target, an explosive device was hidden inside of the location and it was detonated during a meeting of criminals, the ones who plotted and schemed against the ahl al-Sunnah. The bomb ripped apart their filthy corpses and brought down the headquarters on their wretched heads. The operation, by the grace of the Allah, resulted in:

***Killing Gen. Umar Jabawi, the head of the 10th Division, after his hands and feet were ripped off in the blast**

***Injuring Gen. Izz al-Deen, the commander of the 2nd Corps, with an injury that led to the amputation of his leg**

***Injuring Brig. Gen. Mohsen, the Chief of Staff of the 10th Division, with an injuring to his face**

***Injuring the brigadier general who heads the Signaling Branch, with a severe injury to his back**

***Injuring Col. Mazan Aasi, who heads the Recruitment Office of the 10th Division, with a severe injury to his back**

***Injuring Col. Zafer Fondi, the head of Emergency Operations, with injuries to his face and chest**

***Injuring Col. Hashim, a security officer in the 10th Brigade, with heavy injury to his chest**
